

Jury Service Frequently Asked Questions:

Q. Who may be called to serve as a juror?

A: County residents who are at least 18 years old, citizens of the United States, can read, write and understand the English language, and have no serious criminal convictions.

Q. How was my name selected for jury duty?

A: The Jury Commission uses a random listing of voters and taxpayers of the county. The required number of jurors are randomly selected and summoned to appear for jury service.

Q. Why have some people never been called for jury duty and I've been called more than once?

A: Selection is a random process. As such, there is always the chance that a person may never be called while another may be called several times.

Q. Will I be automatically exempt from jury duty if I am a police officer, doctor, lawyer, dentist, or schoolteacher?

A. No. Jury service is a civic duty. No one is automatically excused because of his/her occupation. Many police officers, doctors, lawyers, dentists and schoolteachers have served as jurors. Even judges are not exempt from jury service.

Q. Can I volunteer for jury duty?

A. Volunteering is permitted. Contact the Jury Commission Secretary at 814-776-5327 if you are interested in being summoned for jury service.

Q. How long will I have to serve?

A: If you are not selected as a trial juror, your length of service will be one (1) day.

If you are selected to serve as a trial juror, your jury service will be for the length of that trial. Most trials take between one to two days to complete. Because of this, **do not** make any appointments or commitments that would interfere with you serving on a trial that may take up to five (5) days to complete.

Q. What time will I arrive and leave?

A: The normal business hours for the court are 8:30 a.m.- 4:00 p.m. Jury selection and jury trials typically begin at 9:00 a.m. When serving as a trial juror, you may be required to report at a different time. You will be instructed to call a phone call-in system that will advise you of the specific time to report and if your service is required. While acting as a trial juror, you may serve later than 4:00 p.m.

Q. Are there any breaks during the day?

There are mid-morning and mid-afternoon breaks and a minimum of an hour for lunch. No food or drinks are allowed in the courtroom.

Trial jurors are provided with beverages and snacks. During jury deliberation at the conclusion of the trial, the county will provide a simple meal if the jury requests lunch and/or supper.

Q. How is a jury selected?

Once all the prospective jurors have checked in, the clerk will administer an oath to the jurors. A randomly selected group of 30-40 people will be seated in the front of the courtroom. After some preliminary questions from the judge, the attorneys involved in the case will begin asking questions, starting with the district attorney in a criminal case or the plaintiff's attorney in a civil case, followed by the defendant's attorney. The attorneys may ask if anyone is

familiar with the case, knows the parties involved in the case, knows any witnesses in the case, etc. After the questioning is finished, the attorneys will eliminate jurors until only 14 are left. These 14 jurors will sit as trial jurors (12 primary and 2 alternate jurors).

Q. How much do I get paid for jury duty?

A: According to Pennsylvania law, jurors are paid \$9.00 per day for the first three days of jury service and \$25.00 per day for every day thereafter. Pennsylvania law also sets the mileage rate at 17 cents per mile, round trip from your home.

Q. Does my employer have to pay me while I am on jury duty?

A: Pennsylvania law does not require an employer to pay an employee for jury service. Check with your employer for their policy. Your employer cannot discharge you for responding to a juror summons, as long as you provide a copy of your summons to your employer immediately upon receipt.

Q. What happens if a person ignores a summons or fails to report for jury duty?

A: Pennsylvania law provides that such conduct is contempt of court punishable by a fine and/or imprisonment.

Q. Is there an exemption due to my age?

A: Pennsylvania law does not exclude persons due to their age. However, the county is liberal with excusing senior citizens upon written request for good reason.

Q. Will I be notified if I do not have to report for jury duty?

A: Yes, when cases are settled or postponed at the last minute, the Court tries to give jurors as much notice as possible. If time permits, court staff will telephone jurors to cancel their jury service.

Cameron County jurors are given a number to call the night before jury selection and jury trials to find out if they need to report.

Elk County jurors selected for a trial are given a number to call the night before the jury trial to find out if they need to report.

Q. What if the weather is bad?

A: Jury selection and jury trials are rarely cancelled because of bad weather. If you have trouble reporting due to weather conditions, you must contact the Jury Commission Secretary at (814) 776-5327 before 9:00 a.m. on the day you are scheduled to report for jury duty.

Q. What should I do if being a juror at that time would create a hardship for me?

A: Only those persons for whom jury service would be an extreme hardship may be excused. If you need to be excused from jury service or have your jury service postponed, you must state the reason for your request on the return form/card. Reasons for excusal are reviewed and evaluated pursuant to court policy. You can expect a prompt response to your request.

***NOTE:** If you are requesting to be excused due to a medical condition, **you must have a doctor's excuse** that indicates you are unable to serve. We cannot make exceptions. It is not necessary for the doctor to provide a specific reason, simply that you are unable to serve due to a medical condition. The doctor's excuse can be faxed to (814) 772-7780.

Q. Where do I park when I report for Jury Service?

A: **For Elk County residents:** Please park your car in the metered parking spaces that surround the Courthouse. However, avoid parking on Main Street, as these meters are for a short period of time. Also avoid parking in the "Reserved" parking lot, as you will be asked to move your vehicle. Please do not park in the bank, church, or lots for

retail customers, such as the YMCA. One handicapped parking space is available in the county parking lot on South Broad Street. Un-metered parking is available on South Street, two block south of Main Street.

For Cameron County residents: Please park your car in the area around the courthouse or on side streets where permitted. One handicapped parking space is available in the county parking lot.

Q. What if I have an emergency on the day that I am to report?

A: Please call the Jury Commission Secretary at (814) 776-5327 prior to 9:00 a.m. on the day of service.

Q. What should I wear?

A: Please use good judgment and dress conservatively. Wear clothing that is comfortable and not extreme in style. To maintain the dignity of the court, avoid ripped or revealing clothing, tank tops, and clothing or shirts with offensive words, pictures or logos.

Q. Will I have to go through any security measures when I enter the Courthouse?

A: Yes, everyone entering the courthouse is subject to a security search and will be required to pass through a metal detector. Please do not bring any extra metallic objects (unnecessary keys, coins,) or sharp objects (scissors, nail clippers, penknives, knitting needles, etc.) when reporting for jury service.

The metal detector will not harm pregnant women or individuals who have pacemakers; it will not affect the magnetic strips on credit or debit cards.

To enter the Courtroom, you must go to the 2nd floor of the courthouse. Elevator service is available.

Do not bring personal tape or CD, iPod, MP3 or other types of music players or computer games. Cell phones, smart phones, PDAs, camera phones and other photographic devices, and Internet-enabled devices, such as laptops, tablets and e-readers, are not permitted on the second floor of the Courthouse. Please secure them in your vehicle prior to entering the building.

Q. Is it possible to appear for jury selection and not be selected for a trial?

A: Yes. More people are called than actually serve because of the process of jury selection. Plus, due to last minute changes in the number of cases scheduled, it is not always possible to estimate accurately the number of jurors who will be needed to serve. If you are not selected for a trial, your jury service is concluded.

Q. If I am a trial juror, will I go home at the end of the day?

A: Trial jurors almost always go home at the end of the day. If a jury is sequestered (a term used to describe jurors who are housed during the trial at the expense of the county), the jurors will be advised of this during the selection process. Sequestration rarely occurs.

Q. During a trial, who are the people in the courtroom?

A. The following people will be in the courtroom in addition to the judge, the jury, and the attorneys. They are:

- **Plaintiff** –The plaintiff is the person who filed a civil suit.
- **Defendant** –The defendant in a civil case is the person being sued. In a criminal case, the defendant is the person who has been charged with a crime.
- **Court Reporter** – The court reporter keeps the official record by recording every word spoken during the trial on a special machine or recording device and maintains all evidence admitted during the trial.
- **Tipstaff** – The tipstaff's responsibility is to attend to the jury following instructions from the judge.
- **Deputy Sheriff** – The deputy sheriff provides security in the courtroom.
- **Clerk** – The Clerk is responsible for all documents contained in the official case file and for swearing in the jury and all witnesses.
- **Witnesses** – Each side in a trial will probably have a number of witnesses who have information about the dispute.

Q. What is the sequence of a trial?

A. The sequence of a trial is as follows:

1. Judge's Initial Instructions
2. Opening Statements
 - Plaintiff's attorney (or prosecuting/Commonwealth's attorney for a criminal case)
 - Defendant's attorney (unless postponed until defendant's presentation of evidence)
