

Attention Jones Township Municipal Authority Customers

The Jones Township Municipal Authority, in collaboration with the Elk County Planning Department, is conducting a random sample survey of its customers. This survey is essential in determining eligibility for federal funding to purchase and install new water meters.

You may receive a letter and survey in the mail. A representative may follow up with a phone call or an in-person visit, and your cooperation is needed.

If you received a similar survey in 2024 and receive another one, please complete the new survey and return it as soon as possible.

Jones Township Municipal Authority needs the most accurate and up-to-date demographic information to support our funding application.

All responses are strictly confidential. Your participation is crucial, and we greatly appreciate your cooperation. Without your cooperation, this effort cannot succeed.

If you prefer to complete the survey by phone or have any questions, please call **814-929-5775** or **814-776-5335**.
