\*\*\*Effective December 31, 2020, 911 Center probationary employees will receive 80% of base pay. Following completion of the probationary period, said employee will receive 85% of the base pay prior to completion of the first year. First year completion equals 90% of base rate. Second year completion equals 95% of base rate. Third year completion equals top base rate. Anytime management requires an employee within the base rate pyramid to train a new employee, said employee will automatically raise to the top of the base.
