

# JOIN OPERATION GREEN LIGHT FOR VETERANS

America's counties have a long and proud history of serving our nation's veterans, a legacy that continues to this day as we work with our federal, state and local partners to ensure that the former service members in our communities have access to the resources they need to thrive.

This coming Veterans Day, the National Association of Counties (NACo) and the National Association of County Veteran Service Officers (NACVSO) invite the nation's 3,069 counties, parishes and boroughs to **join Operation Green Light and show support for veterans by lighting our buildings green from November 7 to November 13**. By shining a green light, county governments and our residents will let veterans know that they are seen, appreciated and supported.

## HOW TO JOIN

## COUNTIES MATTER FOR VETERANS

County Veteran Service Officers (CVSOs) in 29 states are responsible for successfully processing more than \$52 billion in compensation, pension, health care and other benefits for veterans each year.

Counties across the nation operate Veterans Treatment Courts, through which we can connect justice-involved veterans with programs and benefits that can treat underlying mental health and substance abuse conditions.

Counties support veterans' access to stable housing, employment and education and critical mental health services that treat trauma and prevent suicide.
